

MARINER
SOCIETY

Dear Miss Price,

We would like to extend our most sincere gratitude for your loyalty. As a token of our appreciation please accept this Delft tile exclusively created for Holland America Line Mariners by the master craftsmen of Royal Goedewaagen in The Netherlands. Since the 1930's their nautical creations for our line have become true collectables and keepsakes of our guests cruising memories.

We appreciate your loyalty to Holland America Line and look forward to welcoming you on board again soon.
